Philips
steam iron

GC1705

Fast and efficient - guaranteed

Speed shaped soleplate

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its special pointed tip, uniquely designed steam holes and smooth-gliding soleplate, this quality iron is simply built for speed.

Easily removes creases
- Specially designed steam holes for best steam flow
- Continuous steam up to 15g/min for better crease removal
- A fine spray evenly moistens the fabric

Easy gliding on all fabrics
- Aluminium soleplate for easy gliding on all fabrics

Longer lifetime
- Calc-clean function flushes scale particles out of the iron

Comfortable ironing
- The iron is suitable for use with tap water
- Less refilling with large 180 ml water tank

Faster ironing
- 1400W and powerful steam for fast ironing

Full control
- Indicator light goes off when the set temperature is reached
